

# National Lookout Register

This certificate officially recognizes

## *High Point Lookout*

*Cleveland National Forest  
San Diego County, California*

as meeting those standards of historic and cultural significance established by the American Resources Group<sup>®</sup>, Washington, D.C., in cooperation with the Forest Fire Lookout Association, the National Forestry Association, State Historic Preservation Officers, and State and Federal forestry agencies.

Accepted for listing this 2nd day of June, 2008

In cooperation with: **Palomar Ranger District, and the San Diego-Riverside Chapter, Forest Fire Lookout Ass'n.**

**Certificate: US 735, CA 80**

In 1937 the CCC constructed fire lookout at this location. It was replaced in 1964 with this steel 67' tower with a 14'x14' CL-100 series cab. The lookout was staffed until 1996. There are plans for restoration and staffing by Fire Lookout Hosts in 2009.
